ANDERSON PACK · QUICK GUIDE

Top 10 Backpacking Must-Haves

The ten things we bring on every backpacking trip, all year round.

OUR MUST-HAVES

01 A good backpack
One that fits and sits on your hips. We use Gregory: Baltoro 75 and Deva 70.

02 Good hiking boots
Supportive and waterproof. We love our leather Zamberlans.

03 A satellite communicator
Our Garmin inReach Mini lets family know we made it to camp.

04 A lightweight tent
We use the MSR Hubba Hubba 2-person.

05 A comfy sleeping pad
We use Nemo Quasar 3D Insulated pads. Warm, comfy and packs small.

06 A weather-right sleeping bag
Ours are 3-season down mummy bags.

07 Water bladder and filter
Plus purification tabs.

08 A compact stove
The MSR WindBurner boils fast, even in wind.

09 Lots of food and snacks
High-calorie snacks and homemade dehydrated meals.

10 A first aid kit
We add Coban tape and a dog carrying harness.

Honourable mentions

- Down jacket and rain jacket
- Fire starter (check fire bans)
- Crib board and waterproof cards
- Light packable chairs
- Base layers for sleeping
